

All types of Magic

By Allison and Mel

Magicians

Magicians perform tricks for people, they do card magic, wand, or magic where they make something appear

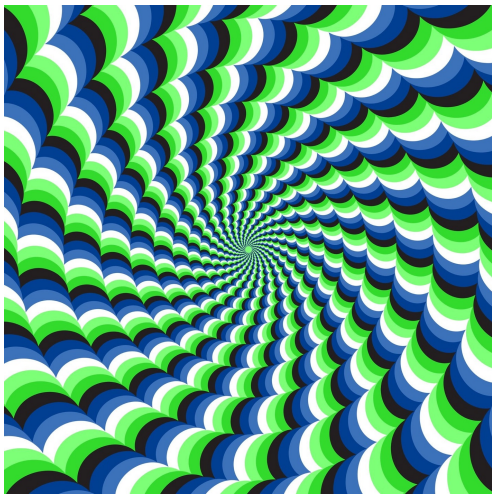

Fairies and mermaids

There are many types of fairies, like the tooth fairy or a leprechaun are types of fairies

Mermaids are usually in the water like oceans, they like to steal treasure from pirates

Super powers and illusions

Super powers come with people who are super hero's, there's super speed, super strong, and teleportation

Illusions are something that makes you think is real but isn't
