

THE BIG GAME

BY FINNLEY AND LIAM

Karson was playing at the park with his friends, Jeremy and Aiden.
“You gonna be at the game Tuesday?” Said Aiden. Karson kicked the ball to Jeremy.
“Yeah, I totally won’t miss it.” Said Karson.
“Dude, you missed most of the games this season!” Replies Jeremy.
“The stadium we are playing at is so far away!” Said Aiden.

The next day Karson puts on his jersey and gets ready to go.

“You ready?” Says Mom.

“Yes” replied Karson. They get in the car and brace for the long ride.

A hour or so later they arrive at the stadium.
The announcer says, Today's championship
game is between the Edgerton Mice and the
Newville Bobcats." Karson tells his mom that
he is nervous to play the Bobcats because
they won three championships in a row.
"WOW this is a big stadium!" Says Karson.

"Look there is a team playing!"
Says Karson. The players run
back and forth with the ball.
"Yeah" says Mom. "Let's go find
your team."

As the team warmed up, Karson felt nervous.
“What if I do bad?” Karson said.
“You won’t.” Jeremy persuaded.
“All you have to do is catch the ball from going into the net.” Added Aiden. They practiced kicking until it started.

The game starts. As it goes on, Karson nervousness calms down. As the games is closing in Aiden scores a goal to win.
“MICE WIN! WOW! What a good game. Edgerton were the underdog in this one.”
