

*My Happy
Day*

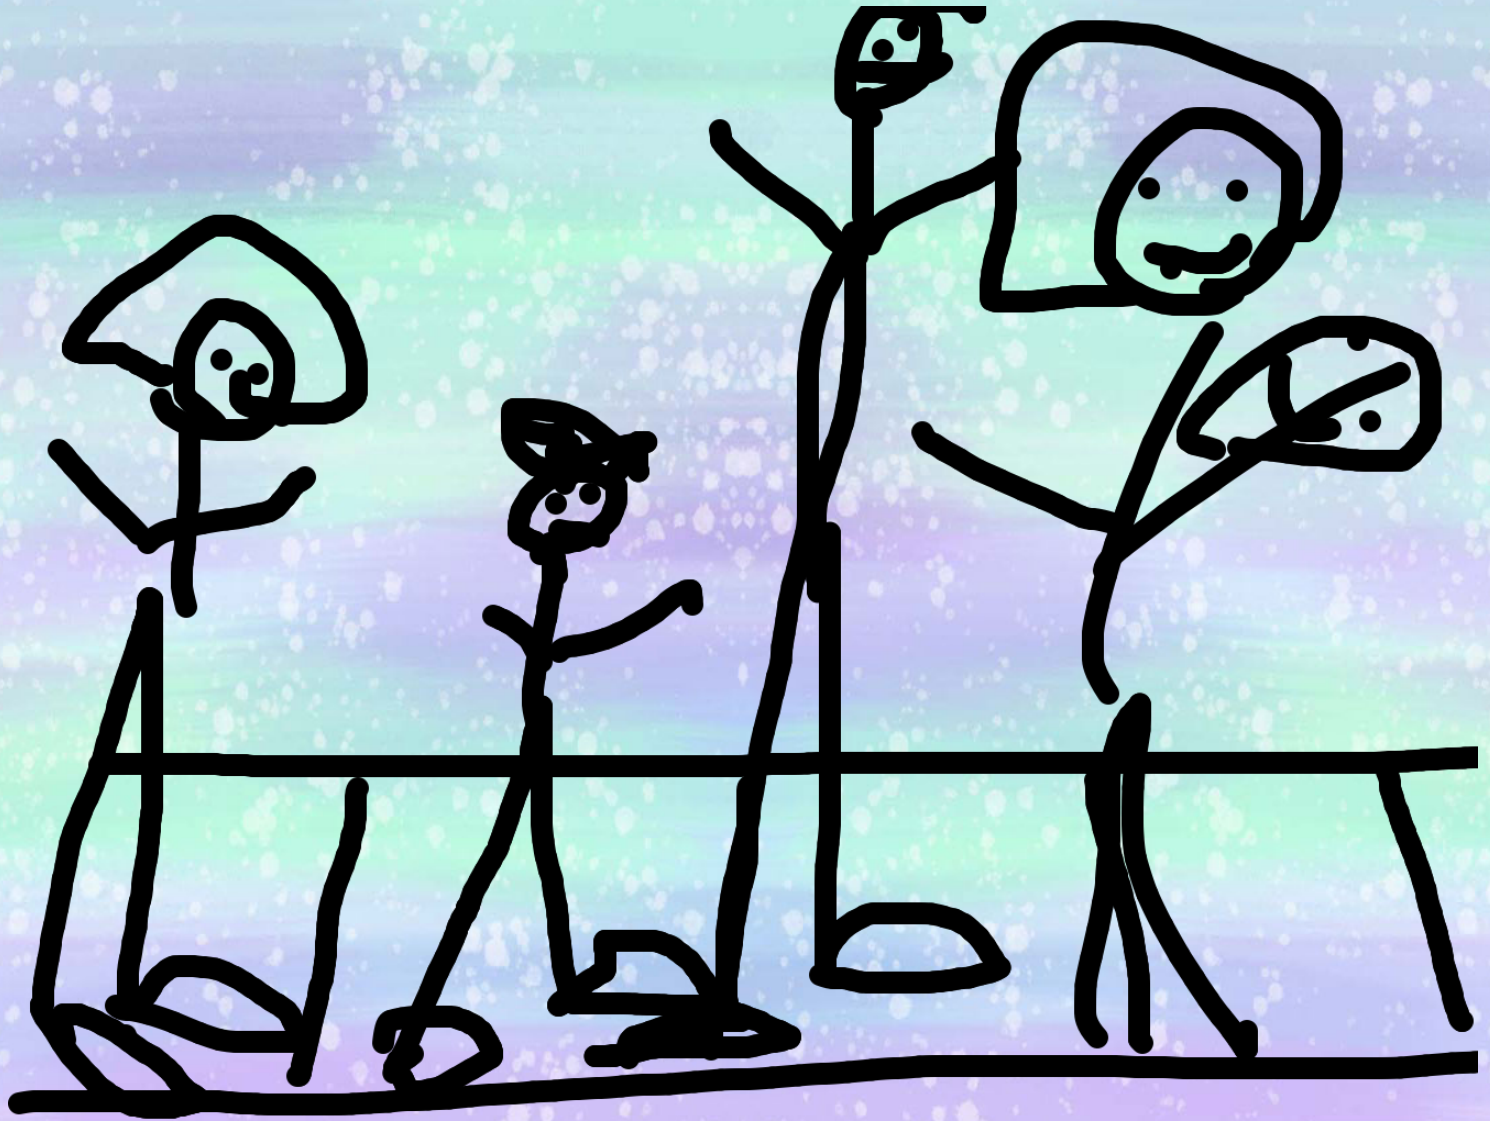

I started my day saying
hi to my family.

We had pizza with
pepperonis for
breakfast.

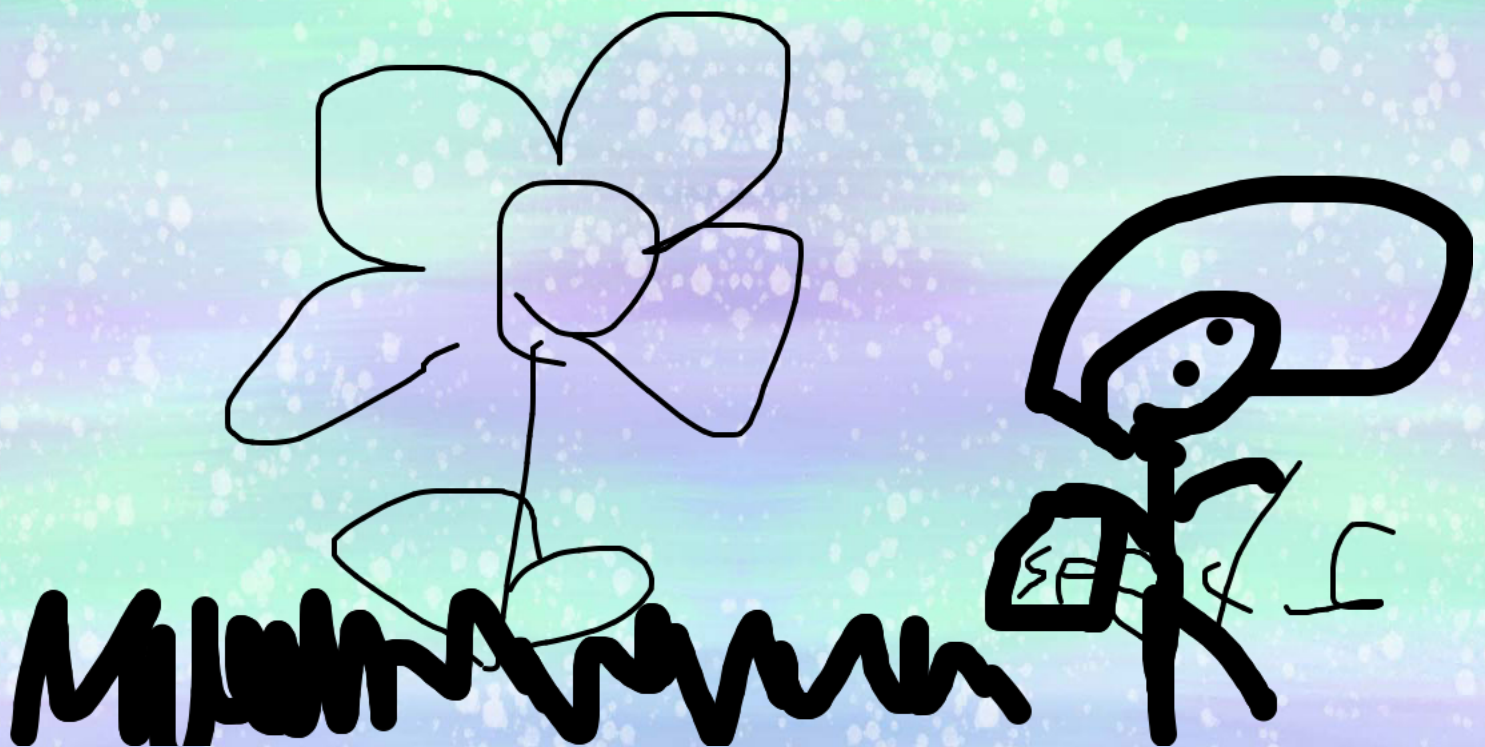

Then took a walk with
my family to get
energy.

When came back home,
we played monopoly.

After the game, we
planted plants in a
garden.

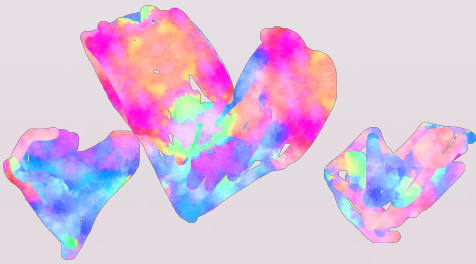

By then it was bed
time, my dad read a
story.

*About the
authors:*

*We are reading
 buddy's, we
have lessons on
Mondays at 4:00
pm.*

Goodnight.
