

The background of the entire page is a repeating pattern of orange pumpkins. The pumpkins are rendered in a watercolor style, with varying shades of orange and yellow, and some have green stems. They are scattered across the page, some overlapping the central text box.

Would you like to participate in the FIRST EVER **Storybook Pumpkin Patch @ MPL?**

It's fun and a great way to show off your creativity!

Here's what you do:

1. Choose your favorite book character.
2. Get a small to medium pumpkin. It can be real or fake. You can pick one up at the library while supplies last.
3. Decorate your pumpkin to look like your book character by using acrylic paint, permanent markers, or adding things onto the pumpkin with glue. ***Real pumpkins may not be carved, cut, or have holes poked in them as they get rotten and stinky. Also, watercolor or washable paints are not recommended.**
4. Fill out the entry form on the back of this paper. It needs to be returned with your pumpkin.
5. You can bring your pumpkin to the library anytime during the week of October 18-24.
6. Pumpkins will be displayed from Oct 25-31, and prizes will be awarded to the most creative pumpkins in the patch!
7. All pumpkins need to be picked up by 8 pm on Tuesday, November 3. Any pumpkins not picked up by the deadline will be discarded.

The background of the entire page is a repeating pattern of orange and yellow pumpkins with green stems, arranged in a dense, overlapping manner.
