StoryWalk® Sponsor

DONATION FORM

The library plans on featuring two different picture books a month, except during the colder and snowier parts of the year. To properly display a picture book, two copies of the book need to be purchased and the pages need to be laminated. Your **$50.00** donation will be recognized at the beginning of the StoryWalk® and on the library's website and social media. Books will be chosen by library staff.
